

# ВЗЛЁТ

MEDIA INFORMATION 2020

Russia's most reliable  
aerospace magazine

more than **15** years

of authoritative and comprehensive  
reporting on key aerospace issues  
in Russia and worldwide

For more than fifteen years we have built and maintained a reputation as Russia's leading-edge aerospace magazine. Our widespread and discerning audience of aviation and aerospace professionals has come to rely on Vzlet as a unique source of valuable and accurate information. This encompasses the state of business and development of the aerospace industry in Russia and worldwide. We, at Vzlet, remain committed to promoting innovation and development in high-tech aerospace products and services in Russia and worldwide. This will be achieved by showcasing the best of world experience, expertise and practices. Our coverage will be of the highest standards of clarity, accuracy and objectivity whilst ensuring you are kept abreast of the very latest information. Thank you for considering a partnership with Vzlet.

## WE OFFER

- Major breaking aerospace news
- Ultimate data on orders and deliveries of commercial and military aircraft and helicopters
- Comprehensive reviews of the manufacturing of commercial and military aircraft, helicopters and engines
